**Brief Summary of Unit:**

In this unit students will analyze their strengths and weaknesses by graphing their grades. Using this information and a list of their life experiences, students will create their formal resumes and personal goal plans.

**What prior knowledge do students need (e.g. the steps to solving a problem) to be successful in this unit?**

Students need to have developed general knowledge of self and have an accurate view of their academic standing, career interests, etc...

Students will need to review specialized career vocabulary presented in sixth grade that also applies to this lesson.
